

Facility Management Professional Program

Classes begin April 13, 2009

Maintain Your Professional Growth Through the Facility Management Professional (FMP) Program

IFMA's FMP designation is a knowledge-based credential demonstrating a proven comprehension of the basics of facility management. A springboard for obtaining certification, acquiring fundamental knowledge in all of the core competency areas, building your skills, and broadening your knowledge and professional networks.

INSTRUCTOR: Patrick Okamura, CFM, CSS, CIAQM, LEED AP

Who should attend?

- ♦ Facility Management practitioners with less than five years of experience
- ♦ Transitioning professionals with significant experience in former related careers
- ♦ Partner practitioners such as architects, designers and safety engineers
- ♦ Associated corporate providers of FM products and services
- ♦ Students entering the profession from college, universities, certificate or technical programs

Are you ready to be an FMP?
